LPCH Nurses To Take NDNQI RN Practice Environment Survey

LPCH Nurses To Take NDNQI RN Practice Environment Survey

The National Database of Nursing Quality Indicators, is a national survey that allows hospitals to benchmark themselves against others. This June each LPCH nurse will have the opportunity to score their hospital. The hospital has already sent letters to all CRONA Nurses with “OPEN IMMEDIATELY” on the envelope.

CRONA would like to encourage every LPCH Nurse to fill out the questionnaire in its entirety. We believe that you should candidly and honestly take into account how the hospital has behaved during the current contract negotiations as this speaks directly to the leadership and environment in which we as nurses practice.

CRONA Nurses Stage Informational Picketing at City Hall

On Monday, May 24, CRONA Nurses staged an informational picketing and hand billing in front of city hall in Palo Alto and along University Avenue.

The event, which was well attended, served to educate the public of our ongoing stalemate with the hospitals. Passers by were given informational literature that explained the situation and asked them to contact hospital officials and urge them to resume negotiations.

If you would like to participate in future informational activities, please email crona@crona.org.

See our newspaper Ads in the Daily News Tuesdays/Wednesdays and Fridays.

Membership Meetings

(CRONA's Lead Attorney Will Be Present)

The regularly-scheduled area representative and membership meeting on Tuesday, June 1, 2010 at 7:30 am is canceled. Area Representatives, please make sure you sign in during the Thursday meetings.
