June 10th Nurses Solidarity Day

Join our 25,000+ Brothers And Sisters In A Show Of Nursing Solidarity

June 2, 2010

On June 10th 25,000 Nurses in California and Minnesota will go out on a 1 day strike. Many of the issues these nurses face mirror the very same ones we are fighting.

We need to support the nurses of the UC Medical System on the issues we ALL face.

Sign ups will be available at the Thursday meeting for people willing to come show support on the picket line at UCSF. You can also send an email to CRONA at crona@crona.org

Come show your support, show your solidarity, show your resolve!

Educating The Public: CRONA Nurses Reach Out

In a effort to reach out to the public, CRONA nurses have been featured in a series of ads in local papers. The ads, not only show the face of CRONA, but also serve to educate the public on who we are and what we do. They also serve to educate our “customers” about the issues we are facing.

You can see some of your fellow CRONA nurses and hear their stories at www.cronanurse.com. If you wish to be one of the nurses featured in a future ad, or know some who would, send an email to crona@crona.org

See our newspaper ads in the Daily News Tuesdays/Wednesdays and Fridays.

If you have any question, comments or concerns, please speak to one of your area representatives, or email CRONA at CRONA@CRONA.org, or call the CRONA office.
